### Notice of Electronic Filing

The following transaction was entered on 7/21/2022 at 8:39 AM EDT and filed on 7/21/2022

**Case Name:** Commodity Futures Trading Commission v. Oasis International Group, Limited et al

**Case Number:** [8:19-cv-00886-VMC-SPF](#)

**Filer:**

**WARNING: CASE CLOSED on 07/12/2019**

**Document Number:** 652(No document attached)

**Docket Text:**

**ENDORSED ORDER:** Per the Court's previous order, the stay of civil proceedings in this case will expire on July 24, 2022. The United States has advised the Court that it is not seeking any further extension of the stay in this case. Upon review of the docket, the Court directs that the parties must file a Case Management Report. Counsel are directed to meet and confer, in person or by telephone, and by August 8, 2022, file a completed Case Management Report. The Court believes that six to eight months is a sufficient period of time to conduct discovery in the vast majority of cases. If the parties believe that more than eight months will be needed to complete discovery, the parties should provide the Court with a detailed explanation as to why additional time is needed and a timeline for the discovery that is planned. After the Case Management Report is filed, the Court will determine whether a Case Management Hearing is necessary before entry of a Case Management and Scheduling Order. Signed by Judge Virginia M. Hernandez Covington on 7/21/2022. (SGM)
