**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
TAMPA DIVISION**

COMMODITY FUTURES TRADING
COMMISSION,

Plaintiff,

Case No. 8:19-CV-886-T-33SPF

v.

OASIS INTERNATIONAL GROUP,
LIMITED; *et al.*,

Defendants.

_____ /

**PROPOSED ORDER
REGARDING RECEIVER'S FIRST INTERIM DISTRIBUTION**

This cause comes before the Court for consideration on the Receiver's Motion for an Order (1) Approving a First Interim Distribution of \$10 Million; (2) Approving the Receiver's Final Determinations Regarding Unperfected or Incomplete Claims; and (3) Overruling Limited Objections to Certain Claim Determinations (the "Motion") (Doc. # ____). The Commodity Futures Trading Commission does not oppose the granting of the relief sought.

Having considered the Motion and being otherwise fully advised, it is ORDERED and ADJUDGED that the Receiver's Motion is **GRANTED**.

Accordingly,

1. A first interim distribution of \$10 million, as set forth in the Motion and in **Exhibits 1** and **2** is approved and authorized.

2. The incomplete or unperfected claims identified in **Exhibit 3** are denied for the reasons explained in the exhibit and Motion, including the claimants' failures to provide necessary documents and/or Personal Verification Forms.

4. The objections to the Receiver's determinations of Claim Nos. 285, 391, and 759 are overruled.

5. The Receiver is authorized to honor requests to change the name of a claimant/payee of a claim if, in the Receiver's discretion, he is provided reasonable substantiation of the new recipient's right to the distribution.

6. The Receiver is authorized to reissue distribution checks initially made payable to deceased claimants to the appropriate entity or person(s) if, in the Receiver's discretion, he is provided reasonable substantiation of the new recipient's right to the distribution.

7. Any deposit or other negotiation of a distribution check shall be deemed a waiver of all arguments made outside the Objection Procedure, including through the stricken "declarations," Notices, and altered or incomplete Personal Verification Forms (as those terms are used in the Motion). If a claimant negotiates a distribution check, the claimant is deemed

to have accepted the information provided in the Proof of Claim submitted for that claim as true and correct under penalty of perjury. If any claimant does not agree with the distribution amount or any aspect of the distribution process, he or she must not negotiate the pertinent check and may not participate in the distribution. Any alteration or appendment of conditions to the check shall be deemed a violation of the Court's order.

DONE and ORDERED in Chambers, in Tampa, Florida, this ____ day of _____, 2022.
